Position Title: Childcare

Mission of Organization: Provide safety, space to heal, advocacy, and empowerment for women, children, and all survivors of domestic violence.

Goal of position: As part of our organizations mission we want to support women as they take steps forward. Part of this, is having groups for women to attend. While the women are attending groups we offer childcare for their kids. We want to provide the women with the capacity to enjoy and move forward in these group settings, which is the reason that we offer childcare.

Major Responsibilities: Familiarizing children with the play area. Explaining and enforcing rules regarding children. Making sure that children are enjoying there play time in a safe manner.

Impact of the assignment: You will be a positive role model in these children’s lives! These children have seen the dark side of abuse, and you can be a bright spot for that child.

Qualifications: Experience working with children. The ability to lift and carry small children is desired.

Benefits to volunteer: Helping women and children in domestic violence situations. Develop valuable work and life skills. This position gives you the opportunity to help and assist children who have been in crisis and are in need of positive role models. Sharing creative activities for children are always encouraged and welcomed!
