DOMESTIC VIOLENCE AWARENESS MONTH OCTOBER 2022

Hello!

Thank you for considering a sponsorship of **Safe Haven's 17th annual fundraiser luncheon and 2022 Domestic Violence Awareness Month (DVAM) activities!** We are thrilled to bring back our long-standing luncheon tradition at the Greysolon Ballroom, and look forward to greeting old friends while welcoming new ones.

Rebuilding community after the last few years feels as important as ever, and we welcome you to support our efforts with a financial sponsorship as well as to attend our event to stand with survivors of domestic violence and let them know they are not alone in the Twin Ports region.

As only one of two domestic violence shelters north of the Twin Cities, Safe Haven serves a seven county region of northeastern Minnesota and the demand for our services has increased over the past several years. Your sponsorship has real impact in the lives of survivors and their families, and allows us to continue our comprehensive programming from crisis to a life free from violence.

In addition to our **October 4th fundraising luncheon from 12-1pm at the Greysolon Ballroom,** this year's October DVAM events will include a joint Duluth/Superior proclamation and awareness event Oct 1st at Barker's Island, an evening social, the 2nd annual Marilyn Bamford Service Award, and several opportunities for education and presentations throughout the community. There will be a number of different ways we can promote your sponsorship support, and we hope you will consider giving as generously as you can.

We cannot thank you enough for helping us provide hope and save lives. Your kindness truly makes a difference!

Warmly and with gratitude,

OUR MISSION IS PROVIDING:

SAFETY

Safe Haven's Shelter Program staffs a 24/7 crisis hotline and provides safe, temporary housing for over 500 women and children fleeing domestic violence annually. We provide food, clothing, transportation, shelter and other basic needs in a secure and confidential shelter with 39 beds.

SPACE TO HEAL

Once survivors and their families are stabilized comes the hard work of beginning to heal. Shelter staff provide one-on-one support to each individual we serve, creating a safe and supportive environment where survivors can address both their physical and emotional traumas. Support groups help survivors to know they are not alone.

ADVOCACY

Safe Haven's drop-in Resource Center assists over 1,500 survivors every year. Our Legal Advocacy Program assists with Orders for Protection, Harassment Restraining Orders, and accompanies victims to court. We support the voice of survivors in the criminal justice system.

EMPOWERMENT

The Resource Center also houses our Self-Sufficiency and Youth Programs, which help empower survivors to move into a life free from violence. These programs assist with obtaining a GED and/or higher education, finding a job, and locating stable housing. Youth are empowered to self-advocate as they learn to recognize and manage the trauma created by domestic violence, what healthy relationships look like, and early signs of abuse.

THE FACTS:

1 in 10 men;

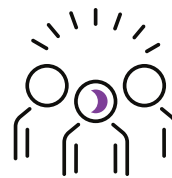

1 in 4 women; and

1 in 2 transgender individuals

will experience sexual violence, physical violence, and/or stalking by an intimate partner in their lifetime.

EVERY MONTH, SAFE HAVEN:

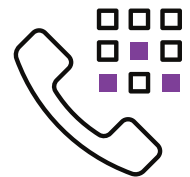

Supports 30+ youth with mentorship and support groups

Creates nearly 75 individualized safety plans

Provides advocacy for around 180 clients at our Resource Center

Answers between 250-300+ phone calls for assistance and resources
