

# SAFE HAVEN SHELTER & RESOURCE CENTER

## 2023 Holiday Wishlist

Gifts donated to Safe Haven from our 'Holiday Wish List' should be new and unwrapped. Parents in our programming are invited to choose, and wrap gifts for their children. Safe Haven serves survivors of all genders and ages.

**Donations of gift cards are greatly appreciated and encouraged.**

For individuals who aren't able to take items with them easily, this provides them the opportunity to purchase what they want and need when they find more stable housing.
